Want to Hear About New FND Studies As They Begin?

Sign up to FND Research
Connect and never miss
an opportunity

FND Research Connect links people with functional neurological disorder to potentially life-changing studies. By signing up, you'll be the first to hear about new research, and can impact the advancement of FND research and treatment.

We need Everyone. You should sign up if:

- You have FND
- You don't have FND
- You're in remission from FND
